Book Blast

North Wayne Elementary hosted their 2nd annual Book Blast Program. Our students were so successful raising over \$16,000 which resulted with every student at North Wayne receiving at least 1 new book. Our school earned a total of 1,353 books this school year.

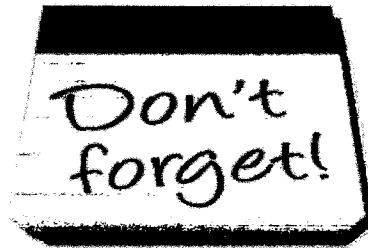

Way To Go Panthers!!!

Book Vending Machine

North Wayne Elementary worked hard to fundraise money to purchase a Book Vending Machine. We held a ribbon cutting ceremony where a classroom of students were chosen to be the first to use a special golden coin to purchase their own book of choice. This book will be theirs to keep forever. All students will earn a coin this school year and come home with their very own book!

Parentsquare:

Parentsquare is a must have app that serves as a communication tool between North Wayne Elementary Staff and Parents. This app allows quick access to information, however we prefer that if you would like more detailed information or want to discuss a sensitive concern that you give the teacher or call the front office.
